Dear Mr. Serrani,

Prior to taking your brazilian wax workshop I had taken two other workshops, one was a 9-5pm one day and the other was a two day workshop. Both times I left the workshop and really did not learn any new tricks or techniques on waxing. I have also taken a 75 hour course on waxing as it is mandated by the state of New York.

I want you to know that I learned more about waxing in general at your 5 hour workshop. I drove 5 hours to get to your salon and it was well worth it. I gave my friend a brazilian wax yesterday and not only did it take me 15 minutes less than usual but I was told by her that it felt more comfortable than it had ever.

Please keep me informed on how to sign onto your web- site and of any other classes you might offer. Do you have an email contact?

Thank you very much,

Carmen
